MEMORANDUM FOR: Director of Security
Chief, Central Cover Staff

FROM: James H. McDonald
Director of Logistics

SUBJECT: Federal Shuttle Services

REFERENCE: Memo to the Heads of Executive Departments and
Agencies fm Administrator, General Services
Administration, dtd Oct 18, 1980 (HR 80-4843/1 -
DDA 80-1764/1 OL-O 4838)

1. Attached is a memorandum from the Administrator, General Services Administration (GSA) concerning federally operated shuttle services. This Agency and the Department of Defense (DOD) already have a reciprocal agreement concerning use of selected shuttle service in the Metropolitan area. Although this agreement has been in effect since 24 February 1974, DOD ridership has been very limited.

2. Although the Agency supports the energy conservation efforts of both the Department of Energy and GSA, making our shuttle service open to all federal employees and/or consolidation of services could impact on security. I would appreciate your comments concerning the GSA memorandum by 24 November 80 in order that we may prepare a response.
